

JANUARY'S BUSINESS OF THE MONTH!

The Savanna Chamber of Commerce is pleased to announce Savanna Home and Hardware Ace as January's Business of the month!

The Sullivan's have been in business for 53 years, and have been in the hardware business for 14 plus years. They opened an ACE Hardware inside their Winnebago store when they built it 14 years ago, and found that hardware and grocery are a good combination, hence they planned to expand into the hardware business if the opportunity came about. With the closing of the Savanna Hardware store, and a year without that type of business in town, they noted the impact it was having on our community. With an empty building the perfect size for a hardware store they decided it was time to branch out with another hardware store. Their favorite part of the business is assisting the customers. The philosophy of the Savanna ACE Hardware is based off of customer service, which they believe the staff at the Savanna Ace excel!
