

CHAMBER CHATS

Board Meeting, Brochures & Ladies Day Luncheon

The Chamber Board met in the conference room on Tuesday morning. Monday afternoon was spent preparing for it. ☺

The Board reviewed finances, upcoming events, and memberships.

On Monday and Tuesday, the racks/kiosk in town were refreshed with brand new brochures and maps to welcome our visitors. The Carroll County Hotel/Motel maps are basically gone for the time being. The office had a few remaining that we shared with the Campbell Center. And we also shared some of the Illinois Bike Maps with Blackhawk CVB by route of our Mt Carroll connection. ☺

The office has been receiving reservations for the Ladies Day Luncheon next Wednesday. Please call or email **by Tuesday** to

confirm your **reservations**. The office has also received business *goodies* for those attending. As part of the agreement with the corporate sponsors is the benefit of distributing promotional items, their business names in advertising, tickets, and table tents. ☺

After the luncheon, the next Chamber event is the River Front Festival on June 20th. Most of the prelim work has been completed, we are still looking for entertainment from 6 to 7 p.m. Any suggestions would be appreciated. 🎵

The May newsletter has been completed and sent to the Carroll County Review for printing. Thanks Jon & Nancy. ☺

How do I love thee?

Orlando Sentinel

If your job were a person, what kind of relationship would you have with it? More than 1,200 workers were recently asked to ponder that question, and 34% said they liked their job enough to date it seriously, with 9% going so far as to say they would marry it.

But workers are fickle lot, according to the Harris Interactive survey sponsored by Talco, Corp. 43% would date their job only casually, 9% said they didn't like their job enough to go beyond a handful of dates and 5% said they hated their job so much they wanted to break up with it immediately.

"I'd rather be a failure at something I enjoy than be a success at something I hate."
